

Stories about innovation

26 - 27 AUGUST
THE INNOVATION HUB
PRETORIA SOUTH AFRICA

2010

IT IS THE HEART AND SOUL OF INNOVATION

Calling all senior leaders, decision makers, entrepreneurs, HR and marketing people, and innovative South Africans to hear Zapiro, the crew behind the Soccer City Calabash, the CEO of FNB, the Sally Williams team and more to experience the essence of innovation at the 2010 SA Innovation Summit.

Is your seat booked?

The SA Innovation Summit includes workshops by experts from the following organisations:

- Blue IQ
- The Development Bank of South Africa
- South African Innovation Network (SAIne)
- Sense2Solve
- Research Institute for Innovation and Sustainability (RIIS)
- Breakthrough Management Group International (BMGI)
- AIRho Educational Solutions

The 3rd SA Innovation Summit is about innovation in action – about how real innovators and innovative organisations do what they do. It is about their trials and errors, the lessons learned, the hardships and breakthrough moments. It will highlight their celebrations and explore the essence of what makes these innovators successful.

Be prepared to learn, to explore, to be surprised, to laugh, to cry and to be entertained - expect realness and relevance.

The 3rd SA Innovation Summit is not to be missed!

Venue

THE INNOVATION HUB™

The Innovation Hub - Africa's first internationally accredited Science Park and a full member of the International Association of Science Parks - is the leading knowledge-intensive business cluster in South Africa.

Strategically located in Pretoria, Gauteng - South Africa's executive capital and 'Smart' Province - The Innovation Hub's intelligent community has become is a regional centre of innovation and knowledge creation, linked to the fast moving world of global interconnectivity.

The Innovation Hub has created a unique space for high-tech entrepreneurs, world-class businesses, academics, researchers and venture capitalists to meet, network and prosper. Its value-adding business support services contribute to the growth and globalisation of technology-rich enterprises in an environment that promotes innovation and enhances competitiveness for knowledge-based businesses.
