

NATIONAL SCIENCE WEEK

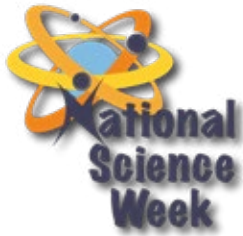

1 - 5 AUGUST 2022

EVENTS AND ACTIVITIES

DATE	TIME	VENUE	LOCATION	TYPE OF ACTIVITY	NAME OF THE ACTIVITY	DESCRIPTION OF ACTIVITY	ONLINE LINK e.g. Zoom registration link/YouTube link
1/8/2022	10:00	University of Pretoria, The Conference Hall, corner of Solomon Mahlangu and Hinterland Street, Mamelodi Campus	Pretoria, GP	Seminar & science engagement	Building our own timber from school science curriculum: How can basic sciences play a role towards sustainable development?	How careers in basic sciences are impacting development, i.e. attracting learners to basic sciences not only applied sciences. - The importance of basic sciences in schools, sustainable development, global challenges, a digital world, technological advancement	Face-to-face
2/8/2022	10:00-12:00	Mothong Heritage site Ngoma street, Mamelodi, Pretoria	Pretoria, 0122, GP	Indigenous Knowledge about diversity	Indigenous Knowledge about diversity presentation to the youth by Mothong African Heritage Project in Mamelodi West	Presentation will highlight on Traditional Health Practitioners as Environmentalists, Geologists and indigenous knowledge holders. As important contributors in the conservation of the environment and the significance of the ecosystem and its power to heal.	Physical attendance by the youth to the site
3/8/2022	10:30-14:20	HSRC Centre for Community Based Research, HSRC Durban VCC, Clinic Tour	Sweetwaters, Caluza Road, Pietermaritzburg, KZN	Seminar & Community Science Engagement	Story telling as science communication tool: Community Experiences in Health Research – TB, HIV treatment & PrEP	The team presents multiple innovative ways in which science can be communicated for better public understanding, uptake and impact	Link to the webinar & Face-to-Face
4/8/2022	14:00-16:00	Iziko Slave Lodge Museum, Corner Adderley Street and Wale Street, Cape Town	Western Cape	Documentary launching & viewing	Science in Communities: Towards Open Innovation for Social and Economic Impact	People feature how their basic research is contributing to technological development either today or will do so in future	Documentary link
5/8/2022	13:30-15:00	Bishop Lavis Secondary School, Helderberg Way, Bishop Lavis, Cape Town	Western Cape	School & community Outreach	Intersectionality of Science communication for society & strengthening basic science for social justice	School Community Outreach on How Basic Sciences are Impacting Development and social justice	YouTube link post event

PROGRAMME: 1 - 5 AUGUST, 2022

Date: 1 August, 2022

Venue: University of Pretoria, The Conference Hall, corner of Solomon Mahlangu and Hinterland Street, Mamelodi Campus

Description of Activity Content: How careers in basic sciences are impacting development, i.e. attracting learners to basic sciences not only applied sciences. The importance of basic sciences in schools, sustainable development, global challenges, a digital world, technological advancement.

Time	Topic	Speaker
10:00	Welcome and Opening	Prof. Ntebogeng Mokgalaka-Fleischmann
	Panel discussion: Building our own timber from school science curriculum: How can basic sciences play a role towards sustainable development?	Moderator: Dr Thobela Nkukwana
		Dr Bathabile Ramalapa
		Mr Daniel Ndima
		Prof Azwihangwisi Maiwashe
		Prof Mmantsae Diale
		Dr Tozama Qwebani-Ogunleye
12:15	Question and Answer	Dr Konosoang Sobane
13:00	Closing Remarks	Dr Palesa Sekhejane

Date: 2 August, 2022

Venue: Mothong Heritage site, Ngoma street, Mamelodi, Pretoria

Description of Activity Content: Indigenous Knowledge Science about Diversity

Time	Topic	Speaker
10:00	Welcome and Introduction of the session	Mr. James Boale
11:10	Indigenous knowledge as critical arena in science for development	Dr. Ephraim Mabena
12:00	Question and Answer	Ms. Mahlatse Mpya
12:30	Closing remarks and departures	

Date: 3 August, 2022

Venue: HSRC Centre for Community Based Research, Sweetwaters, Caluza Road, Pietermaritzburg, KwaZulu-Natal

Description of activity content: Story telling as science communication tool: Community Experiences in Health Research – TB, HIV treatment & PrEP

Time	Topic	Speaker
10:30	Arrivals and tea	All
11:00 – 12:00	Centre for Community Based Research touring & its journey	Prof. A. van Heerden
	Tour around the clinic	Dr. Zaynab Essack
12:00	Panel Discussion	Member of the Traditional Tribal Council Member of the Adult Community Advisory Board Adolescent from our junior CAB Thanda Madonsela – CCBR Site Clinician
12:00	The Value of Multi-sectoral Communication in health crisis communication	Dr. Konosoang Sobane
14:00 - 14:20	Importance of local communities as key stakeholders	Ms. Lumka Luzipho
14:20	Closure and lunch	

Date: 4 August, 2022

Venue: Iziko Slave Lodge Museum, Corner Adderley Street and Wale Street, Cape Town

Description of activity content: Featuring a documentary and Panel on how basic research is contributing to technological and innovation development today, and in future.

Time	Title	Speaker
13:30	Arrivals	ALL
14:00	Documentary introduction	Dr. Palesa Sekhejane
14:05	Documentary viewing	ALL
14:30	Science in Communities: Towards Open Innovation for Social and Economic Impact Panel Discussion	Dr. Sisanda Nkoala Prof. Mike Bruton Mr. MJ Schwartz Prof. Tunde Ojumu Mr. Tafi Madzimbamuto Dr. Moses Basitere
15:20	Question & Answer	Prof. Mokgalaka-Fleischmann
16:00	Vote of Thanks	Dr. Konosoang Sobane
16:10	Refreshments & Departures	ALL

Date: 5 August, 2022

Venue: Bishop Lavis Secondary School, Helderberg Way, Bishop Lavis, Cape Town

Description of activity content: School Community Outreach on How Basic Sciences are Impacting Development and Social Justice

Time	Topic	Speaker
12:00	Welcome and Purpose	Dr. Konosoang Sobane
12:10	How careers in basic sciences are impacting development: Perspective from social sciences	Dr. Saahier Parker
12:30	How careers in basic sciences are impacting development: Perspective from natural sciences	Dr. Lerato Rametse
12:50	How careers in basic sciences are impacting development: Perspective from STEM education	Ms. Memory Dizha
13:20	How careers in basic sciences are impacting development: Perspective from basic sciences	Dr. Vuyo Mavumengwana
13:40	Question and Answer	Ms. Glenda Petersen
14:00	Vote of Thanks	Prof. Mokgalaka & School Principal
14:10	Viewing of Documentary & Lunch	ALL
