# A call to participate in a new HSRC survey

The Human Sciences Research Council (HSRC) is conducting research on how people earn a living through farming. You are invited to contribute to this study. Your participation will help us to understand and find solutions to the challenges of marginalised farming communities.

## WHO ARE THE MAIN SURVEY PARTICIPANTS?

Fieldworkers will collect information from:

- Small farmers
- Farmworkers
- Farm dwellers

## IN WHICH LOCALITIES WILL THE SURVEY BE DONE?

Over the next few weeks, HSRC fieldworkers will collect data in the following districts:

### Phase 1: 23 October – 10 November 2023

Bojanala, North West  
Amajuba, KwaZulu-Natal  
Namakwa, Northern Cape  
Ehlanzeni, Mpumalanga  
Amathole, Eastern Cape  
Cape Winelands, Western Cape

### Phase 2: 13 November – 30 November 2023

Sarah Baartman, Eastern Cape  
Fezile Dabi, Free State  
Uthukela, KwaZulu-Natal  
Overberg, Western Cape  
Sedibeng, Gauteng  
Vhembe, Limpopo

## HOW WILL YOU BE ABLE TO IDENTIFY HSRC FIELDWORKERS?

HSRC fieldworkers must present their unique identification cards upon request. This ID card has the fieldworker's name and picture, and information about this study.

## WHO TO CONTACT IF YOU HAVE CONCERNS:

HSRC's toll-free ethics hotline: 0800 212 123 (when phoned from a landline from within South Africa)  
HSRC's Research Ethics Committee: +27 12 302 2012
