

PRESENTATION SKILLS WORKSHOP

ABOUT THE WORKSHOP

Participants are invited to a 3-day virtual workshop, with 1 presentation a day, and small group breakaway sessions facilitated by Dr Andrea Juan and Dr Adam Cooper from EEE.

The virtual training will take place on the following dates; 4th, 6th and 8th of September from 12:00-14:00pm.

All emerging researchers who are presenting at the HSRC conference in September are strongly encouraged to attend this training.

All attendees must bring along a draft presentation which will be worked on.
