If your NGO Seriously Need Grants here is the Practical Fundraising Package;

Discover 17 Practical Ways and formulas to Fundraise for your NGO.

And uncover the secret behind some of our most remarkable fundraising success.

There are multiple, effective and tested fundraising strategies.

I have presented them as self-paced classrooms lessons.

They are taught as we have used them in field-based action.

↳ Carrying 17 practical Video-learning episodes.

↳ We have also published a book called "17 Practical ways to Fundraise for NGOs".

↳ For each strategy we have developed a template to help you actualize each strategy.

So we have 17 training episodes; a book and template in a package.

What's more?

We've added the following resources to build your fundraising capacity;

1. A sample of our previous Impact Document". This is the document I told you to use to accompany any pitching. It is from a project on GBV we did in Mathare Kenya and we used for fundraise. Reinforces your problem statement.

2. Community Gap Assessment report: This is meant to help you generate gap evidence before

reaching out to donors. You remember the “Research and Dissemination” strategy?

3. Donor mapping Tool (a multi-tab Excel) to help you track and engage donors.

4. A Template of a PowerPoint donor-pitching document.

5. My Bestseller; AI for Grant Writers: Master Prompts, Analyze Donor Calls, and Ethically Write Winning Proposals in Hours, Not Weeks
